DECLARATION and PETITION UNDER 37 CFR 1.182

TO THE COMMISSIONER OF PATENTS AND TRADEMARKS:

15

Sir:

In reply to the Notice of Incomplete Non Provisional Application (filed under 37 CFR 1.53(b)) mailed 1/27/2004, Applicants hereby declares that all
20 items requested were submitted at the time of filing the continuation and are not necessary for a filing date.

Applicants have, however, enclosed a copy of the original specification and the declaration in the event these can not be found at the USPTO. Also enclosed is a copy of the received returned postcard, a copy of the Express mail
25 receipt showing the weight of the package sent (which correlates with the weight of the documents in question) and a copy of the original transmittal letter. As requested, a newly executed declaration covering the items is being submitted. Applicant hereby petitions under 37 CFR 1.182 to have the USPTO accept the date that the enclosed omitted items were filed with the USPTO as the filing date
30 of the above-identified application. The omitted items were the specification and the declaration that were submitted when the original continuation case was filed. No new matter has been added. In the alternative that the petition is not granted, Applicants request a filing date based on receipt of these items. The fee required under 37 CFR 1.17(h) is enclosed. If this petition is granted, Applicants hereby
35 request a refund of the petition fee.

All statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under
5 Section 1001 of Title 18 of the United States Code and that such willful statement may jeopardize the validity of the application or any patent issued therefrom.
